BOLD CELESTIAL DESIGNS

HORIZON LINE

CLOUD CANOPY

RAINMAKER

At any given moment the sky flows with a multitude of moving shapes, textures and immense depth. From passing white clouds, to thunderous showers, to a hazy morning sunrise – this bold imagery is both awe-inspiring and captivating. Inspired by these upward masterpieces, Textured Sky brings an organic atmosphere inside. Three SDN patterns and 20 colors are available in 50cm x 50cm squares and 25cm x 1m planks. Plus, a gorgeous high-luster yarn by Universal Fibers® can be found in each tile.

TEXTURED SKY FEATURES A HIGH-LUSTER YARN

Meticulously woven throughout each tile, Textured Sky features a gorgeous high-luster yarn by Universal Fibers®. This yarn showcases a brilliantly reflective look, creating a sophisticated, almost-glistening finish. Accentuating the Textured Sky collection as a whole, this yarn promises a refined and uniquely incandescent aesthetic.

NO TWO SKYSCAPES ARE EXACTLY THE SAME

Just as the clouds above drift and form new
skyscapes every day, unique variations are also
found in each color of Textured Sky.

This color variation allows you to design
unique flooring solutions every time you use it,
so be sure to order more than one sample
before you start creating. For the complete
range of variation within each Textured Sky
color, contact your representative for more
information or visualize now at MillikenFloors.com

Style Backed by Performance

Milliken Floor Covering offers products and expertise in all areas of your commercial spaces, including high-performance entryway systems, modular and broadloom carpet, luxury vinyl tile and milliCare®. Simplify your flooring projects by working with a trusted partner that lets you focus on enjoying the process of creating a great space.

Milliken™

Complete Performance and Support

ENTRYWAY SYSTEMS

The OBEX® brand of products offers highly effective, comprehensive modular entry solutions designed as a three-zone barrier system to prevent dirt and moisture from entering the building. Available in coordinated colors and patterns, OBEX entry products are engineered to increase the functionality of a building's entrance without forsaking elements of design or aesthetic.

MODULAR CARPET AND BROADLOOM

Milliken's broadloom and carpet tile incorporate the latest innovations in tufting and dyeing technology, achieving unique looks and excellent performance. All carpet tile products have cushion backing for an extended lifespan, as well as ergonomic and environmental benefits.

LUXURY VINYL TILE

From natural looks of wood and stone to more modern textures and abstracts, Milliken's collection of Luxury Vinyl Tile flooring creates new options for a commercial or hospitality interior. Our simple-to-search Color Reference system provides easy coordination of the LVT options to modular and broadloom carpets.

MILLCARE®

milliCare takes caring for your flooring and textiles off your to-do list, which means you can skip right to the part where you get to lean back, put your hands behind your head, and be a hero for keeping a beautifully cleaned space.

WARRANTY

Our products are backed by lifetime commercial warranties that ensure quality and give peace of mind. Milliken stands behind its products in the areas of Face Fiber Wear, Staining/Soiling Resistance, Color Pattern Permanency, Delamination of Backing, Edge Ravel, Tuft Bind, Floor Compatibility, Antistatic, Flammability, Cushion Resiliency, Dimensional Stability, Floor Release, TractionBack and Moisture Resistance.

SUSTAINABILITY

Core to our culture, we embrace sustainability with practices such as third party voluntary product labeling and certifications, zero waste to landfill since 1992, use of renewable energy, product life cycle assessments, ISO 9000 quality standards and all of our manufacturing sites are certified to the highest global environmental standard - ISO 14001 certified.

STAINSMART®

StainSmart, a proprietary treatment applied to Milliken carpets designed to repel and protect against stains and enhance soil release.

MOISTURE MANAGEMENT

Milliken modular carpet is a moisture mitigation solution all by itself. Unlike with hardback products, water vapor has a way to escape from beneath Milliken's cushion backing. It travels freely through our open-cell cushion, evaporating naturally through seams at the edges of each carpet tile. All modular carpet tiles come with a lifetime warranty against adhesive breakdown due to moisture vapor emissions.

CUSHION BACKING

Provides superior underfoot comfort while improving the carpet's durability and offering ergonomic, acoustic and environmental benefits.
» millikenfloors.com/cushion

SIT TO STAND

Avoid the hassle and expense of using anti-fatigue mats under sit-to-stand workstations. Milliken cushion backed carpet tiles have ergonomics built directly into the carpet tiles themselves.
» millikenfloors.com/sit2stand

TRACTIONBACK®

Our bio-based, high-friction coating keeps carpet tiles securely in-place without additional adhesives, eliminating the need to prime or seal the floor thereby reducing installation time and costs.
